Dear Goverdhan Mogli,

Congratulations on becoming the newest member of ACE, the Action Community of e-HIMA® Excellence!

A certificate suitable for framing was made available to you in the confirmation page. If on your self-assessment you requested that we notify key people within your organization, emails were sent separately to them and you will receive a copy.

As an ACE member, your name will be made available to the AHIMA membership for mentoring opportunities. It will also be made available to AHIMA's Component State Associations and the national office for speaking, writing, testifying, and volunteer opportunities.

We ask that you let us know about your ACE activities. This will help us track our goal of 51,000 ACE activities that are transforming HIM.

Please use the online form at <http://www.ahima.org/ACE>.

AHIMA highly values the commitment you make to the transformation of HIM. Thank you, and we look forward to the expertise you bring to the membership and the profession as an ACE member.
